- 10:15 Professional Learning Session:
- Read&Write is Gold*
- Read&Write for Google*, using the Chrome add-on, is an assistive tool that improves reading fluency and vocabulary while integrating technology tools. Create meaningful vocabulary lists to help students study productively on a test. Raise the reading morale in your classroom! This session will end with an opportunity (think mini-Ed Camp) to share other assistive tools that educators have found to be useful to meet specific instructional needs.
- Presenter: Richard M. Smith, M.Ed
