Special Presentation

Zoom Technology and Expanded Classroom Opportunities

Eric Siler, ideastream Education and Ann Radefeld, North Royalton City Schools demonstrated the ease of using Zoom to connect to instructional opportunities. The Advisory Council connected with a classroom in Alabama, and interacted with students. Questions concerning Zoom technology and related instructional opportunities should be directed to Eric. Siler@ideastream.org

Special Opportunity

American Graduate

Celena Roebuck, ideastream provided an overview of *Talking Jobs with Ohio’s Next Governor* event which will be held at The Idea Center on Thursday, October 4 from 12:30 p.m. 2:05 p.m. Schools are encouraged to invite high school students/classes to participate “live” via streaming. For more information visit

Summer Upgrades

During the summer, upgrades were made to three digital resource portals that provide professional learning, instructional assets, and research tools. Please check out the changes at:

PBS TeacherLine

Now offering online professional learning for Ohio educators in collaboration with Ashland University for \$170 per credit hour. Check out the course options at: <http://www.ideastream.org/education/pbs-teacherline>

PBS LearningMedia

Now offering online professional learning for Ohio educators in collaboration with Ashland University for \$170 per credit hour. Check out the course options at/to groups of students and track results of those assignments. Check out: <https://ideastream.pbslearningmedia.org/>

INFOhio

Not only does *INFOhio* have a new digital look, the web portal includes many new resources for the 2018-19 school year. Take a look at *Storia: Ohio's 4th & 5th Grade eBook Collection*, *Transparent Language Online* (Web-based language learning platform with more than 100 languages, including English), *STEM Collection*, *Oxford Research Resources*, and *Hobbies & Crafts Reference Center* offering a wide range of how-to information and instructions for makers. These wonderful new resources are available at <http://www.infohio.org>.

Advisory Council Meeting: October 16, 2018, 9-11:30 a.m. @ The Idea Center

The Steering Committee will be leading this professional learning engagement. The goal will be to allow Advisory Council members and guests the opportunity to engage in discussions concerning instructional technology and integration with peers from other schools and districts from across the region. At the same time, those who have not experienced an Ed Camp will have the opportunity to do so. The event will conclude with group Q & A.

- If you would like to know more about Ed Camp, please view this slide show which was presented at the September Advisory Council Meeting: EdCamp [slideshow](#)
- If you would like to suggest a topic for discussion, please add it to this EdCamp [Google Form](#). Also, If you are willing to moderate a discussion, please indicate on this form.

Please feel free to bring guests to participate in this experience.
