

**ideastream® Education**  
**Advisory Council**

**Meeting Agenda**

**October 16, 2018**

- 8:30-9:00 Registration and Refreshments – PB&J Lounge
- 9:00 Welcome!
- WVIZ/PBS ideastream Education: *Top Ideas to Share with the Educators that You Represent*
- 9:30-11:30 Professional Learning: *ideastream Edcamp!—Share and Discuss Instructional Technology, Strategies, and Issues*

The Steering Committee will be leading this professional learning engagement. The goal will be to allow Advisory Council members and guests the opportunity to engage in discussions concerning instructional technology and integration with peers from other schools and districts from across the region. At the same time, those who have not experienced an Edcamp will have the opportunity to do so. The event will conclude with group Q & A.

- If you would like to know more about Edcamp, please view this slide show which was presented at the September Advisory Council Meeting: Edcamp [slideshow](#)
- If you would like to suggest a topic for discussion, please add it to this Edcamp [Google Form](#). Also, if you are willing to moderate a discussion, please indicate on this form.

Please feel free to bring guests to participate in this experience.
