Advisory Council

Meeting Agenda

January 29, 2019

8:30-9:00 am Registration and Refreshments – PB&J Lounge

9:00 Welcome!

WVIZ/PBS ideastream Education: *Top Ideas to Share with the Educators that You Represent*
Including NPR Student Podcast Competition, OETC update, 2019 Digital Learning Day
FREE Professional Learning for Educators, and more!

9:45-11:30 Professional Learning: *What's "App"ening? A SLAM Presentation Showcasing a Variety of Apps to Support Instruction and Learning*

The Steering Committee will be leading this professional learning engagement. The goal will be to introduce a variety of apps to Advisory Council members and guests. Each five minute presentation will be followed by interact Q&A. If you have an app that you would be willing to share, come prepared! This is an opportunity to leave with new ideas! **Please feel free to bring guests to participate in this experience. Contact Hour certificates provided.**

Apps: Teleprompter, Tynker, Draw & Tell, Seesaw, Read Write, Equatio, WriQ, Overdrive/SORA. Plus, those shared by attendees!
