# Classroom Makerspace Day

**Thursday, May 2, 2019, 9am to 3pm**

- K-8 teachers are invited to spend a day learning how to transform the classroom into a makerspace using existing materials.
- Each person will receive a starter kit of materials and resources that can be used in the classroom the very next day.
- Receive step-by-step information on how to design, equip, and successfully operate a safe and inspirational space.
- Tour Tech Central MakerSpace at the nearby Cleveland Public Library. Envision how a classroom can be transformed with a Cutting Machine, 3-D Printer, Laser Engraver, Photography and Graphic Design, Music and Recording and much more.
- A great workshop for teachers who are serious about designing a space to facilitate teaching and learning with research, creativity and hands-on learning.
- \$65 Cost

Session held at ideastream®, 1375 Euclid Ave., Cleveland, OH
