2020 ideastream Education Innovative Educators

Nominations now being accepted! At the April 21, 2020 ideastream Education Network Council Meeting, three Northeast Ohio educators will be honored and provided the opportunity to present outstanding examples of how they are transforming instruction while integrating instructional technology. Selected educators will be provided 20 minutes to share:

  • A demonstration
  • An overview of effective methodologies
  • An innovative integration of technology and/or technology used to create student projects

Please nominate an educator that demonstrates the above in an exemplary way. Self-Nominations will be accepted.
